Dover/Kent County Metropolitan Planning Organization Council to Hold Public Workshop

DOVER, DE JUNE 27, 2007:

The Dover/Kent County Metropolitan Planning Organization (MPO) Council will hold a Public Workshop from 12:00 PM to 4:00 PM on Wednesday, July 11, 2007 at the Duncan Center, 500 West Loockerman Street in Dover. The focus of this workshop will be discussions involving the MPO's Strategic Plan, strategies to support the MPO's Mission and Goals, SAFETEA-LU compliance, implementation of the FY 2008 Unified Planning Work Program (UPWP) and a continuation of health insurance benefits.

These discussions will be followed by Progress Updates on FY 2007 MPO projects: the North Dover Study, the Delaware 8 Concept Plan and Operations Study and the MPO Data Book. There will also be updates on the efforts underway to attract a commercial carrier to the Civil Air Terminal and survey results from the Central Delaware Economic Development Council.

Because this is a workshop, there are no action items on the committee's agenda. Notice of the workshop is being provided because a quorum of the members will be present.
