MEDIA RELEASE: July 18, 2007

## Have a say in the future of Route 8

### PLEASE JOIN US AT THE SECOND PUBLIC WORKSHOP

Dover City Hall  
City Council Chambers  
15 East Lookerman Street, Dover  
Wednesday, August 1, 2007  
4:00 - 7:00 PM

The public is invited to review work completed so far on a study of Delaware Route 8 from Artis Drive to the Norfolk Southern railroad tracks in Dover. This second meeting offers an opportunity for people to review proposed alternatives to improve the corridor.

The eventual outcome of this study is to create a concept plan that includes a western gateway into the City of Dover and strategies to address future needs of the corridor.

For further information call Juanita Wieczorek at 302-760-2713.

### Route 8 Concept Plan and Operations Study
