Dover/Kent County Metropolitan Planning Organization Announces Public Workshop on North Dover Corridor

Dover, DE June 6, 2007

The Dover/Kent County Metropolitan Planning Organization (MPO) will host a public workshop to talk about transportation in North Dover, encompassing the area from Lepore Road to Scarborough Road along US 13. The workshop will begin at 6:30 pm, with a presentation at 7:00 pm in Room 400B in the Corporate Training Center at Delaware Technical & Community College. This area is constantly changing and the MPO is developing a plan to help prepare for the big changes ahead.

Residents of the area are invited to actively participate in this workshop discussion, which will provide an opportunity to voice their ideas and concerns and describe how they see the future of this vital corridor.

The information provided by the participants will be incorporated into the MPO's plan and shared with State, County and City agencies. Residential participation is essential to creating a first-rate plan that takes everyone's needs into account.

Comments can be submitted to the MPO via e-mail to daniel.mcnulty@state.de.us or via mail to the MPO at P. O. Box 383 Dover, DE 19903, or by calling (302) 760-2712 or in person at the workshop.

All meetings of the Dover/Kent County Metropolitan Planning Organization are open to the public, which is encouraged to attend.
